SMALL CAPITAL words, Coupon Stations. Italics, Coupon Order Stations. Nonpareil, Local Ticket Stations.

**EXPLANATION OF CHARACTERS USED.**

Freight Stations are designated..... F  
Local Ticket Stations are designated..... T  
Coupon Ticket Stations are designated..... CT  
Coupon Order Stations are designated..... CO

These letters are combined as may be necessary;  
for example, CTF means Local Tickets, Coupon  
Tickets and Freight.

**CONNECTIONS WITH OTHER ROADS.**

Opposite Junction Stations numbers are given, which, by reference to the following table will designate the names of the lines radiating from such station. The sign (†) shown after the numeral which is used to designate the name of a road indicates that, with the line so designated, connection is made over the track of another company. The sign (‡) indicates that the line has no track connection direct or indirect with this company's line at that point. The sign (\$) indicates the connecting line shown has not filed tariffs with the Interstate Commerce Commission.
