THE THINGS YOU BUY

IN SENDING A WESTERN UNION TELEGRAM

SENDING a telegram, like buying a railroad ticket, is a simple transaction. It takes care of your need for quick communication between the point where you are and where you would like to be. Urgent business in Seattle, an appointment at Spokane, a fishing trip with a friend at Glacier Park, or a greeting to the family at home. Each at first thought presents a problem which a telegram will solve for you so capably and dependably that you take the solution as a matter of course.

We of the GREAT NORTHERN take keen pride in the thought that we are able to contribute our share in providing this service.

750 GREAT NORTHERN offices from which telegrams may be sent.

*You are invited to try
a Meal on the diner*

The Great Northern dining car service has won for itself a reputation of being second to none. The meals are prepared by expert chefs and from the best of food products obtainable, and are served at surprisingly low cost. Passengers aboard trains are invited to step into the dining car and ask the steward in charge for a copy of "to-day's" menu.

You will see for yourself that our prices are reasonable, and after trying a meal you will be convinced that our service compares favorably with leading hotels and restaurants.

Suggestions to Travelers

Hand baggage in Pullman Sleeping Cars is restricted to what can be conveniently placed in the berth, seat or other accommodations purchased by the passengers. In the interest of safety no baggage is permitted in the aisles. A suitcase to go under a Pullman seat cannot exceed 9½ inches in height by 30 inches in length.

Similarity of baggage sometimes leads to mistakes and annoyance. Baggage should be marked ON TOP with initials or distinctive design.

Minnesota Arrowhead Country

In the Northeastern corner of Minnesota is a wonderful unspoiled playground where Mother Nature bestowed many varieties of beauty and recreative wealth. This alluring playground has been named the Minnesota Arrowhead Country. Here was the Red Man's treasure country and battle ground. Here first was the Mandan, then the Assiniboine, then the Cree, then the Sioux, who was finally driven out by the Chippewa. Each change of possession was won by conquest. Here early explorers set up trading posts or sought the Northwest passage. Today it is a natural playground, a land of adventure, a refuge from heat—Nature's beauty spot.
You can reach the Arrowhead Country conveniently via the Great Northern to Duluth, thence via a great variety of means of transportation: Rail, boat, autobus or auto.
