PASSENGER INFORMATION

Train Schedules shown herein have been carefully compiled from time cards currently in effect but it is sometimes necessary to deviate from them between the issues of this time table folder and it is not always possible to give advance notice of such changes. Information shown herein is therefore subject to change without notice. Also trains are at times unavoidably delayed by circumstances entirely beyond our control resulting in missed connections for which the Great Northern Railway cannot be liable.

Purchase Tickets before boarding trains. SAVE by purchasing Round Trip Tickets.

Children under five years of age, when accompanied by parent or guardian, will be carried free. Children five years of age and under twelve years of age will be charged one-half of the adult fares. Children of five and under twelve years of age will not be ticketed when traveling alone, unless advance arrangements are made through ticket agent in cases where child is deemed mature enough to travel alone. Children twelve years of age and over will be charged the adult fare.

Adjustment of Fares. Should any misunderstanding arise with conductors or agents as to the proper fare or ticket privileges, please pay fare requested, take receipt and communicate with A. E. Michel, Auditor Passenger Accounts, St. Paul 1, Minn.

Redemption of Tickets. Applications for redemption of unused portions of tickets issued by the Great Northern Railway should be addressed to Mr. A. E. Michel, Auditor Passenger Accounts, St. Paul 1, Minn. The unused portions of tickets issued by other railroads should be sent to passenger traffic manager of issuing railroad.

Invalids and Infirm Passengers. Wheelchair service is available at the following stations: Bellingham, Breckenridge, Butte, Duluth, Everett, Fargo, Grand Forks, Great Falls, Havre, Minneapolis, Minot, New Westminster, B. C., Portland, St. Paul, Seattle, Spokane, Tacoma, Vancouver, B. C., Wenatchee, Whitefish, Williston and Winnipeg. At other points where wheel chairs are required, passengers must make their own arrangements. Advance notice must be given for passengers requiring special handling and must be accompanied by attendant (s).

Certain Freight Trains are Permitted to Carry MALE Passengers Under the Following Conditions: Adult male passengers must hold regular passage ticket. This Company is not a common carrier of passengers by its freight trains and does not stop such trains at stations or station platforms except when the freight business of the road makes it necessary to do so. Persons using such trains for passage assume all risk of injury or loss of time while riding on or getting to and from said trains. Women and children will not be carried on freight trains. Persons desirous of having their baggage accompany them on freight trains should deliver it at station and have it way-billed. Stock drovers, when in charge of stock and provided with proper transportation will be carried on train with such stock.

Consult any Great Northern Railway ticket agent or passenger representative or your local ticket agent or travel bureau for any additional information or details on your transportation requirements.

BAGGAGE INFORMATION

Hand Baggage which passenger desires to retain possession of throughout the journey is restricted to an amount which can conveniently be placed in the berth, seat or other accommodations purchased by the passenger. Passengers are urged for the convenience of themselves and other passengers to check all their baggage except that actually needed for personal use enroute. Checked baggage is baggage handled in the baggage car as a convenience to the passenger, relieving the passenger of its care and handling.

Marking for Identification. Mark or tag each piece with Passenger's name and address and place Passenger's name and permanent address inside each piece.

Definition of Checked Baggage. Wearing apparel, toilet articles (except liquids) and personal effects—necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of his journey and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

Free Checking Allowance. Up to 150 pounds on each adult ticket and 75 pounds on each half fare ticket, a small charge is made for weight over these amounts (On Around-the-World or Trans-Pacific passengers weight allowances of 250 and 175 pounds respectively). Valuation not to exceed \$100 on baggage checked on each adult ticket, \$50 for each half fare ticket, unless a greater value is declared in writing by the passenger at time of checking.

A charge of 25c is made for each \$100 of value declared above the free allowance. In lieu of this excess value charge, passenger may elect to purchase a St. Paul Fire and Marine Insurance Company policy for entire valuation of baggage checked; these policies cover both baggage and personal effects whether checked or carried, and are available at principal ticket and baggage offices.

Baby Carriages, Bicycles and similar articles when used in connection with journey will be checked and included in weight and value of passenger's baggage. Cribbs and playpens, etc., must be collapsed, securely wrapped and roped.

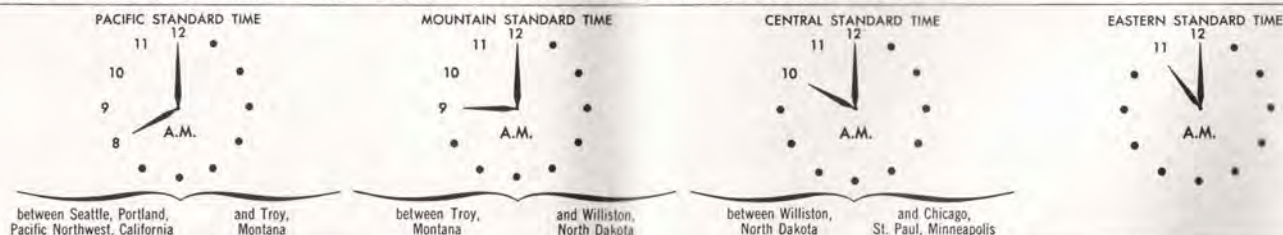

Dogs and other small household pets are transported in baggage cars subject to tariff regulations. Dogs, cats or other animals (not venomous, odoriferous or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman private rooms into the rooms they occupy, subject to established regulations. Dogs may be on leash and muzzled instead of in containers. Special arrangements for Seeing Eye Dogs.

Forwarding. Passengers are urged to check baggage in advance. Every effort will be made to facilitate the handling of baggage, but the Railway cannot guarantee to forward on same train as owner nor the arrival time at destination. Baggage is stored free at destination by the carrier for the first 24 hours. To avoid paying storage charges baggage should be claimed immediately upon arrival at destination.

Remains. Consult ticket or baggage agent for charge for shipping of remains.

Lost Articles and Responsibility. While no responsibility is assumed for unchecked articles left in stations or cars, lost articles should be inquired for through Manager, Mail, Baggage and Express Traffic, St. Paul 1, Minnesota, or District Mail, Baggage and Express Agent, Seattle 4, Washington. Every effort will be made to locate and return such articles.

STANDARD TIME.—All time shown in Great Northern Railway published schedules of its lines east of Williston, North Dakota, is Central time; between Williston, North Dakota, and Troy, Montana, is Mountain time; west of Troy, Montana, is Pacific time. All Great Northern trains operate on STANDARD TIME.

CASCADE TUNNEL

One of the great engineering projects of all time, Great Northern Railway's Cascade Tunnel pierces the solid granite of the formidable Cascade Range between Bernead and Scenic in Western Washington for a distance of 7.79 miles.

Recently completed is a huge ventilating project that enables the use of diesel locomotives in the tunnel. Installation of the ventilation system marked the end of Great Northern electrified operation in the Cascades.

Lounge, observation or Great Dome car luxuries are yours for carefree business or pleasure travel on Great Northern's scenic route across the top of the nation.

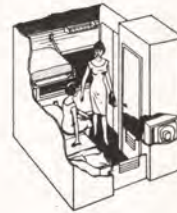

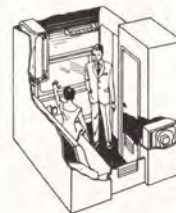

UPPER AND LOWER BERTHS—Lowest priced of all Pullman sleeping accommodations. During the day passengers have comfortable sofa seats especially suited for lounging or window gazing. Individual reading lights are provided, and there is ample room for luggage and wraps. Berth curtains assure complete night privacy. (A safety ladder makes access and exit from upper berth easy.) Completely equipped toilet and dressing rooms elsewhere in the car.

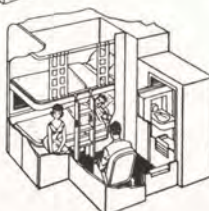

DUPLEX ROOMETTES—Compact room with locking, sliding door for privacy for one person. Complete toilet facilities. Other conveniences include a comfortable sofa seat, sizeable luggage space, cool drinking water, mirror and electric shaver outlet. Individual control of heat, air-conditioning, lights and ventilation. Lower rooms are at aisle level and the upper rooms two steps up. Your own private room for only 10% more than a lower berth!

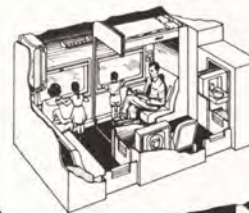

ROOMETTES—The advantages of a Duplex-Roomette plus extra roominess. Complete and private toilet facilities, ample luggage space, plenty of room for lounging and dressing. Chilled drinking water, mirror, electric shaver outlet; individual heat, light and air-conditioning controls for added comfort and convenience. A self-contained home on wheels, a Roomette has a comfortable arm-rest seat, sleep-inviting mattress. Bed is easily pulled down from wall.

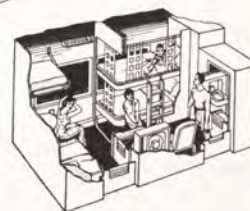

DOUBLE BEDROOMS—For one or two persons. Wide, comfortable sofa opens at night into a sleep-inviting bed. Upper berth opens from niche above the sofa. Double Bedrooms have complete toilet facilities. Heat, light and air-conditioning are controlled by occupants. There is large clothing and luggage space. Partition between connecting bedrooms can be folded back for group or family travel to form one large room.

COMPARTMENTS—Generous living and sleeping space for two, or two plus a youngster. Full-length sofa and comfortable lounge chair seat up to four during the day. Other conveniences include toilet and washing facilities in a private annex, air-conditioning, thermostatic control of heat and individual regulation of ventilation and lights. Luggage space enough even for sports equipment. Plenty of elbow-room at night even with both beds made.

COMPARTMENT-BEDROOM SUITE—A spacious living room by day and two private rooms sleeping four at night. Two beds are lengthwise in the train and two crosswise. Two toilets with complete facilities. Each section has individually controlled heat, lighting and air-conditioning. There is plenty of luggage and clothes storage space, and chilled drinking water. This popular accommodation is particularly appealing to parents traveling with children, and business groups.

Glacier National Park

Millions of years old – but celebrating its 50th birthday!

The Land of Shining Mountains . . .
Montana's treasure of treasures . . .
Glacier National Park is 50 years
old this year.

This is an especially happy occasion for Great Northern Railway, which had an important role in the establishment of Glacier National Park.

There's fun in store for you, too, in Glacier Park during its anniversary year. Go direct on Great Northern's Western Star.
