CASCADE TUNNEL

One of the great engineering projects of all time, Great Northern Railway's Cascade Tunnel pierces the solid granite of the formidable Cascade Range between Berne and Scenic in Western Washington for a distance of 7.79 miles.

Recently completed is a huge ventilating project that enables the use of diesel locomotives in the tunnel. Installation of the ventilation system marked the end of Great Northern electrified operation in the Cascades.

Michel, Auditor Passenger Accounts, St. Paul 1, Minn. The unused portions of tickets issued by other railroads should be sent to passenger traffic manager of issuing railroad.

Invalids and Infirm Passengers. Wheelchair service is available at the following stations: Bellingham, Breckenridge, Butte, Chicago, Duluth, Everett, Fargo, Grand Forks, Great Falls, Havre, Minneapolis, Minot, New Westminster, B. C., Portland, St. Paul, Seattle, Spokane, Tacoma, Vancouver, B. C., Wenatchee, Whitefish, Williston and Winnipeg. Advance notice must be given for passengers requiring special handling and must be accompanied by attendant(s).

Certain Freight Trains are Permitted to Carry MALE Passengers Under the following Conditions: Adult male passengers must hold regular passage ticket. This Company is not a common carrier of passengers by its freight trains and does not stop such trains at stations or station platforms except when the freight business of the road makes it necessary to do so. Persons using such trains for passage assume all risk of injury or loss of time while riding on or getting to and from said trains. Women and children will not be carried on freight trains. Persons desirous of having their baggage accompany them on freight trains should deliver it at station and have it way-billed. Stock drivers, when in charge of stock and provided with proper transportation will be carried on train with such stock.

Consult any Great Northern Railway ticket agent or passenger representative or your local ticket agent or travel bureau for any additional information or details on your transportation requirements.

BAGGAGE INFORMATION

Hand Baggage which passenger desires to retain possession of is restricted to an amount which can conveniently be placed in the berth, seat or other accommodations purchased by the passenger. Passengers are urged for the convenience of themselves and other passengers to check all baggage except that actually needed for personal use enroute. Checked baggage is baggage handled in the baggage car as a convenience to the passenger, relieving the passenger of its care and handling.

Marking for Identification. Mark or tag each piece with Passenger's name and address and place similar information inside.

Definition of Checked Baggage. Wearing apparel, toilet articles (except liquids) and personal effects—necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of the journey and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

Free Checking Allowance. Up to 150 pounds on each adult ticket and 75 pounds on each half fare ticket, a small charge is made for weight over these amounts (for Around-the-World or Trans-Pacific passengers weight allowances of 350 and 175 pounds respectively). Valuation not to exceed \$100 on baggage checked on each adult ticket, \$50 for each half fare ticket, unless a greater value is declared in writing by the passenger at time of checking.

A charge of 25c is made for each \$100 of value declared above the free allowance. In lieu of this excess value charge, passenger may elect to purchase a St. Paul Fire and Marine Insurance Company policy for entire valuation of baggage checked; these policies cover both baggage and personal effects whether checked or carried, and are available at principal ticket and baggage offices.

Bicycles, also baby carriages, cribs, playpens and similar articles when securely wrapped and roped will be checked within the weight and value allowance.

Dogs and other small household pets are transported in baggage cars subject to tariff regulations. Dogs, cats or other animals (not venomous, odoriferous or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman private rooms into the rooms they occupy, subject to established regulations. Dogs may be on leash and muzzled instead of in containers. Special arrangements for Seeing Eye Dogs.

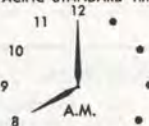

Forwarding. Passengers are urged to check baggage in advance. Every effort will be made to facilitate the handling of baggage, but the Railway cannot guarantee to forward on same train as owner nor the arrival time at destination. Baggage is stored free at destination by the carrier for the first 24 hours. To avoid paying storage charges baggage should be claimed immediately upon arrival at destination.

Remains. Consult ticket or baggage agent.

Lost Articles and Responsibility. While no responsibility is assumed for unchecked articles left in stations or cars, **lost articles should be inquired for through Manager, Mail, Baggage and Express Traffic, St. Paul 1, Minnesota, or District Mail, Baggage and Express Agent, Seattle 4, Washington.** Every effort will be made to locate and return such articles.
